FOR IMMEDIATE RELEASE

BURLINGTON – Community Engagement

**BURLINGTON
VISION PLAN 2040**

On June 2, 2020, The City of Burlington engaged the Lakota Group (Chicago, Illinois) to update the City’s Comprehensive Plan. Burlington Vision Plan 2040 is a tool kit designed to serve as land use regulations and provide policies for local land use, planning and development decisions.

In an effort to solicit community engagement on what you believe the City’s vision should be, we encourage you to visit www.BurlingtonWI2040Plan.com. Please sign up with your name and email address to stay current on project updates and upcoming online surveys and community events. There is even a “Send us your comments or questions” section allowing you to message a member of the planning team.

If you would like to participate in any stakeholder interviews please contact Carina Walters at cwalters@burlington-wi.gov.
