It is hereby agreed by the undersigned, as owner, owner's agent or contractor and the City of Burlington that for and in consideration of, the premises and the permit for execution of installation of fire protection equipment, or any other items listed above, is to be issued and granted by the Fire Department. That the work thereon will be done in accordance with the description herein set forth in this statement. It is further agreed to alter or install in strict compliance with the City of Burlington Fire Prevention Code and to obey any and all lawful orders of the City of Burlington Fire Department, the Statutes of the State of Wisconsin and rules and regulations issued by the Department of Commerce under the authority of the State Statutes. Note: The City of Burlington and/or the City of Burlington reserve(s) the right to refuse to issue, modify and/or revoke any permit for cause including but not limited to false and/or inaccurate information being provided. **System inspections and/or witnessing of tests are mandatory. Witnessing of ALL tests and inspections MUST BE scheduled a minimum of 72 hours advance. CALL City of Burlington Fire Department for scheduling.**
